Shiro-san and Kenji 1

Yoshinaga Fumi

Nice to meet you. It's been a really long time. I'm Yoshinaga Fumi.

Thank you very much for picking up this book.

This is a KenjiShiro-san doujinshi I made, adapted from my manga series 'What Did You Eat Yesterday?' (Kinou Nani Tabeta?).

Timeline-wise, it is set slightly before volume one.

I named it 'Kenji and Shiro-san I' so that if I ever continue the story, I won't need to think of a title.

I've wanted to do a 'NaniTabe' doujinshi for a while, so I'm really glad I could release one for the winter Comiket like this...

Thanks to everyone reading this and all the people involved with the winter Comiket. Really, thank you. Every year I hope to participate in it, but I don't know if I'll be able to be there next year yet.

(I currently have no plans for the summer Comiket.)

However, if I'm able to make a new release next year, I will be really happy.

The canon first chapter just has the characters eating together, but here my story is basically porn.

Still, I hope you enjoy it.

Have a good year, everyone.

December xxth 2015, Yoshinaga Fumi

I WAS SO INTO THIS
GUY'S HIGH-STRUNG
CHARACTER, THAT I
FELT LIKE I COULD
FORGIVE HIM FOR
ANYTHING.

Nobuhiko,
you asshole!!
That's my study
you're working in!!
You're just a
freeloader here!!

You
never contribute
to the expenses,
I should toss your
ass to the curb!!

Oh right.
I have to
hurry and
cook the
chicken in
the fridge.

Nobu-san hates
oden with daikon,
but he said he liked
the chicken with
the sweet and
savoury broth.

And the
daikon...

Dammit!
Miso with
chinese
cabbage and
what do I
do then!?

After that,
a salad with
broccoli.

And then
his favorite
potato salad
without the
spring onions.

Alright. Nobu-san
seems a little under
the weather, so
I'll make a warm
sweet and savoury
broth with chicken
and daikon.

Shirou.

Eh?

okay,
now the
chicken.

Can't you try
to be a little
more sexy!?
Or do you really
want me to
dump you right
here and now?

Come
on!

I was a bit
turned on by
seeing you in
that apron...

Wai-! Wait,
Nobu-san...

Aaaaaah!!
No, wait, um...
I'm still in the
middle of cooking
dinner, could you
hold on for five
more minutes?

Aah, I'm
so hungry.

I'm gonna take
a shower, so
finish preparing
dinner in the
meantime,
alright?

Hey!!

Didn't you
hear me!?!
I told you
to hurry up
and make
dinner!!

Also,
I really want
to have a
shower as
well...

Well, since it
lasted so long
the meat will
be soggy,

the
daikon will be
dried out, and
the potatoes
have probably
gone brown.

SLAM!

ON TOP OF THAT,
BEFORE I COULD
DUMP HIS ASS, HE
FOUND HIMSELF A
YOUNGER MAN AND
TOSSED ME ASIDE...

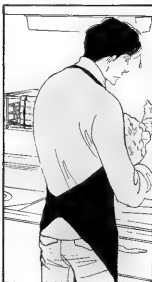

**NOBUHIKO,
I WON'T
FORGIVE
YOU!!**

I'm home,
Shiro-san!

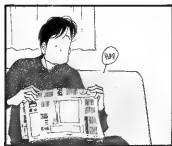

No...
You should just
have fun doing
as you like...
I don't mind
either way...

Eesh...

Or are
your nipples
not that
sensitive...?

Say,
Shiro-san...
Do you like
it here...?

twist
twist

Press!

Hey, don't
say that!
Tell me~!

I don't have too
much confidence
with sex. Does
it feel good~?
Tell meee~!

Ah!
Ah...!!

Ah!
There!
Kenji!!

AH!!

I like it
there...!!

Ah! Ah!
T-that's
good...!

Right there...!!
Don't stop
when it feels
so good, idiot!

squish
squish

Ah!
...

See,
the tip's
soaked.

Touch
mine too...

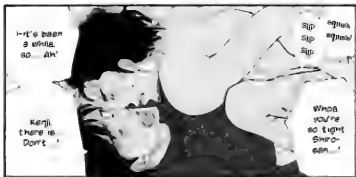

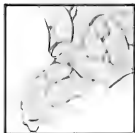

Aaah...
Aaah...

Aaah...
Shiro-san,
you're really
hard...

You're
already
dripping.

Ah' Ah'
No don't!
Ah' Ah''

Ah' Yes'
Right there ''
If you do that
I'll cum ''

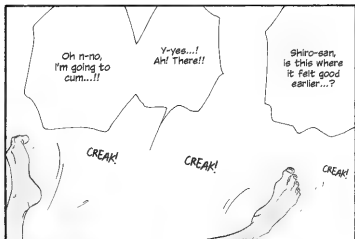

Ah
This is no good.
I really want to
put it in now

H-hurry up
and do it ''

Ha'

Ah ' H
Feels so good
inside you
